Bonn, July 08th, 2005

The President of the Federal Office
for Information Security

Dr. Helmbrecht

L.S.

The Protection Profile mentioned above was evaluated at an accredited and licenced/approved evaluation facility using the Common Methodology for IT Security Evaluation, Version 2.4 Revision 256 including Draft Interpretations #1 - #17 for conformance to the Common Criteria for IT Security Evaluation, Version 2.4, Revision 256.

This certificate applies only to the specific version and release of the Protection Profile and in conjunction with the complete Certification Report.

The evaluation has been conducted in accordance with the provisions of the certification scheme of the Federal Office for Information Security. The conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced.

This certificate is not an endorsement of the Protection Profile by the Federal Office for Information Security or any other organisation that recognises or gives effect to this certificate, and no warranty of the Protection Profile by the Federal Office for Information Security or any other organisation that recognises or gives effect to this certificate, is either expressed or implied.
