CCEVS Position Statement
Application Software
Essential Security Requirements Version 1.0, dated 29 August 2015

17 March 2016
Version 1.0

STATEMENT: NIAP CCEVS agrees with the contents of the Application Software Essential Security Requirements (ESR), version 1.0, dated 29 August 2015.

PURPOSE: The intent of this Position Statement is to make it publicly known that NIAP CCEVS:

- recognizes a need for evaluated devices that are suitable for the use cases identified in the ESR, and;
- the ESR appropriately scopes the security functionality of such devices.

SCOPE: NIAP CCEVS will revisit its position during each stage of the Application Software collaborative Protection Profile (cPP) development.

If NIAP CCEVS endorses the resulting Application Software cPP, products evaluated against the cPP that demonstrate exact conformance to the cPP will be placed on the NIAP CCEVS Product Compliant List: https://www.niap-ccevs.org/CCEVS_Products/pcl.cfm
