The IT product identified in this certificate has been evaluated at the Norwegian evaluation facility described on this certificate using Common Methodology for IT Security Evaluation, according to the version number described on this certificate, for conformance to the Common Criteria for IT Security Evaluation according to the version number described on this certificate. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete Certification report. The evaluation has been conducted in accordance with the provisions of The Norwegian Certification Authority for IT Security (SERTIT) and the conclusions of the evaluation technical report are consistent with the evidence adduced. Certification does not quarantee that the IT product is free from security vulnerabilities. This certificate only reflects the view of SERTIT at the time of certification. It is furthermore the responsibility of users (both existing and prospective) to check whether any security vulnerabilities have been discovered since the date shown of this certificate. This certificate is not an endorsement of the IT product by SERTIT or by any other organization that recognizes or gives effect to this certificate, and no warranty of the IT product by SERTIT or by any other organization that recognizes or gives effect to this certificate, is either expressed or implied.

Certificate

Certificate Identifier: SERTIT-120 C Product Name: TNOR Guard Version and Release Numbers: 1.1.3 Type of Product: High Assurance Guard Product Manufacturer: Thales Norway AS Assurance Type: EAL 4 augmented with ALC_FLR.3 and AVA_VAN.4

Evaluation Criteria: Common Criteria 3.1 R5 Name of IT Security Evaluation Facility: System Sikkerhet AS Name of Validation Body and Certification Authority: SERTIT Certification Report Identifier: SERTIT-120 CR, issue 1.0, 12.05.2022 Certificate Issued Date: 12.05.2022 Certificate Expiry Date: 12.05.2027

(Original signed by) Lars Borgos Certifier (Original signed by) Øystein Hole Quality Assurance (Original signed by) Geir Løvnes Acting Head of SERTIT

CC Recognition Arrangement for cPPs or components up to EAL 2 and ALC_FLR

SOGIS Recognition Agreement for components up to EAL 4
