Product Category: Other Devices and Systems

CC Evaluation Facility: EWA-Canada

Conformance Claim: Protection Profile for Peripheral Sharing Device, Version 4.0
PP-Module for Video/Display Devices, Version 1.0

The IT product identified in this certificate has been evaluated at an approved evaluation facility established under the Canadian Common Criteria Program using the Common Methodology for IT Security Evaluation, Version 3.1 Revision 5, for conformance to the Common Criteria for IT Security Evaluation, Version 3.1 Revision 5. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete Certification Report. The evaluation has been conducted in accordance with the provisions of the Canadian Common Criteria Program and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by the Communications Security Establishment (CSE) or by any other organization that recognizes or gives effect to this certificate, and no warranty of the IT product by CSE or by any other organization that recognizes or gives effect to this certificate, is expressed or implied.
