

CCEVS APPROVED ASSURANCE CONTINUITY MAINTENANCE REPORT

ASSURANCE CONTINUITY MAINTENANCE REPORT FOR

U.S. Government Approved Protection Profile - U.S. Government Protection Profile for Hardcopy Devices Version 1.0 (IEEE Std. 2600.2™-2009)

Date of Activity: 11 October 2011

Updated Protection Profile: U.S. Government Approved Protection Profile - U.S. Government Protection Profile for Hardcopy Devices Version 1.0 (IEEE Std. 2600.2™-2009)

Assurance Continuity Maintenance Report:

No changes were made to the [IEEE Std. 2600.2™-2009 Protection Profile](#). However, in order to use the PP as a U.S. Government approved Protection Profile, the changes documented in [NIAP Policy letter #20](#) must be included with the conformance to the Protection Profile.
